

261—187.4 (15) Contract and award amendment approval procedures.

187.4(1) General rule. Generally, the final decision maker that approved the initial award shall approve any amendments or changes to that award.

187.4(2) *Contract amendments.*

a. General. In general, the amendment process for both awards and contracts mirrors the application process. That is, the same entity that recommended the initial application will also recommend the amendment, and the same entity that had final approval of the initial application will have final approval of the amendment. As with awards, contract amendments must comply with the statutory requirements for each individual program or funding source and the applicable administrative rules. In general, the amendment process begins with review of an amendment request by authority staff. After review by staff, the amendment may be sent to a committee for further recommendation followed by final action on the amendment by the board or by the director, as the case may be. The director may take action on any amendment that is not specifically identified as requiring board action. The authority's various programs and the amendment procedures are described in paragraph 187.4(2) "c," which contains the applicable recommending and approving entities by funding source and program.
